No-Cost Opioid Education Presentation for York County Medical Society

Wednesday, October 21, 2026 | 5:00 PM | Outdoor Country Club, 1157 Detwiler Dr, York

York County Medical Society and Quality Insights have partnered to provide an in-person continuing medical education (CME) presentation of the Pennsylvania Department of Health's Comprehensive Approaches to Pain Management, Opioid Prescribing, and Substance Use Care curriculum. This consists of two hours of CME's which meets PA Act 124 and Patient Safety Requirements and is available to all physicians in York County. See our website below for details.

Guest speakers **Dr. Denise Vanacore-Chase Ph.D., FNP-BC, PMHNP-BC**, and **Jason Sutt** of Quality Insights will lead this session with registration & dinner starting at 5 PM and the CME beginning promptly at 6 PM. For more information and to reserve your seat now at yorkcomedsoc.org/CME.

6 PM to 7 PM - Pain Management Assessment and Informed Clinical Decision-Making for Opioid and Nonopioid Medications.

7 PM to 8 PM - Strategies to Enhance Patient-Clinician Communication for Pain Management Care.

Continuing Medical Education is Available

Physician: 1 AMA PRA Category 1 Credit(s)[™] for each module

Pre- and post-evaluations are required for CME/CE Credit. Pre-evaluation links will be provided during registration, and post-evaluation links will be provided at the conclusion of each session.

Please contact Mike Nixson at ycmsexecdir@gmail.com with any questions or for registration support.
